# TE PŪRONGO O TE TŪMUAKI PRINCIPAL'S REPORT

**Ka nui te mihi mahana ki a koutou**

We all now know the world our students are stepping into is very different to the world we as adults experienced when we left school.

We know it is very important that we provide an education which prepares our young people for their future, which enables them to embrace diversity and play a role in meeting and solving the problems they will face as global citizens.

This will require multiple talents, thinking and aptitudes.

While producing NCEA results is very important we have to deliver so much more. I find the use of the word "academic" often problematic, as it implies scholarship and learning has a finite point in qualifications. A truly academic education is not just about scholarships and qualifications but it is also about exploring the critical questions in life and growing minds which search for answers, which seek new solutions, which are restless beyond the status quo of knowledge and accepted frontiers. The deeper prize is life.

The last two and half years have been challenging. I reflect on our Senior Prizegiving last year where parents had to watch the event online.

I want to thank whānau for your support during the year and our students for their ongoing energy and work in very strange

circumstances. Our Head students Aisha Campbell and Justin Goundar, our prefects and Year 13s, leading has required different thinking and they have done a good job in supporting the rest of the school through this year. A huge thank you for your perseverance and resilience.

To our Board, thank you for supporting the education we are developing and being an open and visionary Board. You provide sound and strong governance to the school. In particular, Mike Cole, thank you for your support as Board Chair to me in my role as Principal and your generous offering of time to the school.

To our staff, you have risen to the multiple challenges again this year and I know you did it because you care about our students.. You are leaders of hearts and minds.

To our senior leadership team, thank you for your professionalism, hard work, loyalty and vision. Your unity as a team, courage and humour has guided us well this year.

I would especially like to acknowledge staff who have left us this year Tracey Boschat, Todd Cucek, Zarea Davis, Khan Devine, Kiri Fortune, Wes James, Stephanie Julian, Melissa Keith, Sarah-Lee Pheloung, Koulla Benton and Paula Cast

Finally, to our students who leave us at the end of this year to step out into the adult world, I hope you feel warmth for your

school and teachers, that you have learned to be good and kind human beings, that we and you have worked well to prepare you for a future that enables you to step confidently into that future world.

May you travel safely on your journey.

Fa'afetai lava. 'ia manuia le afiafi. Soifua.

Kia kaha, kia maia, kia manawanui

Nō reira, ka nui te mihi mahana ki a koutou katoa.

# HE KUPU A NGĀ KAITĀTAKI HEAD PREFECT REPORT

Tēnā koutou katoa,

He tina ki runga, he tāmore ki raro. In order to flourish above, one must be firmly rooted below.

I entered high school at 12 years old, with no idea of the incredible experiences, challenges and people I was to encounter. I also didn't consider until much later that high school was eventually going to end. But here I am finally encountering the conclusion of my schooling and entering the next chapter of my life. I am looking back fondly on the last 5 years and am grateful that my positive high school experience makes me feel more than ready for what is to come next.

Metaphorically, you could say the seed that was planted in the whenua of Te Kura Tuarua o Ngāmotu in 2018, has transcended its germination. A shoot is finally erupting through the soil, with a well equipped foundation; roots that are made of the knowledge and support Spotswood College has provided. What does this mean? Well I hope I'm going to flourish into a flower and not a weed!

Some of my highlights at Spotswood include going on a school trip to Spain when the extent of our Spanish abilities was reciting our name and saying "a cheese and ham sandwich". Year 9 health class, where poor Mrs Lawrence had to endure teaching some interesting topics to immature preteens. Or getting Second place in Javelin and Shot Put at 2020 Athletics for my age group!! (There were only 2 of us competing).

However there have also been some significant educational highlights. I was lucky enough to be challenged by our principal; Whaea Nicola, to compete in the Manu Kōrero Speech Competition in 2021. Through this experience I learnt plenty about both writing and public speaking, which is sure to help me with my goal of entering the broadcasting field.

2022 specifically has gone by quite fast. We have finally seen the settling of COVID-19, and the reconstruction of what feels more like "normality". Along with this, I hope that all of Spotswood College and whānau have had a year that includes success and joy whether that be accomplishing a notable goal, finally seeing family or remembering to hang up the washing before mum comes home. I want to thank everyone who has made being head girl for 2022 a pleasant experience. I wish everyone a relaxing holiday season and a positive end to the year.

Thank you

**Aisha Campbell**  
Head Girl  
Spotswood College

Ni sa bula vinaka

Wowzers! 2022 went by very fast. As I'm coming to the end of my final year at Spotswood, I am now looking back on the past of what has been an amazing five years at the kura. It definitely feels weird knowing that this is my final year of high school. It feels like I just started my high school journey yesterday.

Seeing what I have achieved through high school has definitely made year 9 Justin proud.

Starting off high school was very confusing. From having one teacher and one classroom, to having many different classes as well as having 5-6 different teachers a week. My first proper experience of high school was me just wandering around not being able to find my class and which then unfortunately led me being late to one of my classes which was Mr Joe's sports excellence class. So... from that day I learned a lesson to not be late to any of my classes, especially his (if you know you know). Spotswood has provided me with so many opportunities whether it be sports or academics. Volleyball has been a big part of my high school journey. Rylee was one of my new friends which I made in year 9, he told me to come and have a hit around in the hall and then a few minutes later Mr Joe who was and still is the coach also told me to come along. I decided to give it a go and my first spike was.... let's say a work in progress, from that day I decided to go to more practices and play more often. Volleyball through school was an amazing experience. I've had many great memories with the team as well as making new friends throughout various different tournaments across NZ and of course the best part, attending Secondary Schools Nationals.

Looking back at those past years and also from the start of this year, I am proud of what I have accomplished in my time at Spotswood. The best part was getting Head prefect for this year. I was head boy at Devon, so I made it my goal to be head boy at Spotswood as well since the day I started. Sharing the stage with the lovely Miss Aisha Cambell and our amazing group of prefects and year 13 cohort is and will always be an honour, without them I myself couldn't have done this, they all played a big role this year and we got along as a team and bonded quite well. To the teachers, thank you for putting up with me for FIVE YEARS! I'm still surprised you guys are not fed up with me yet or you are hiding it very well. But thank you, without you guys I wouldn't be standing where I am today and I am very appreciative of all the support you all have given me throughout my time at Spotswood.

Thank you Spotswood College for having me, it was an honour being part of the family and being your head prefect for 2022

Your one and only Justin Goundar signing out

**Justin Goundar**  
Head Boy  
Spotswood College

# TE WAKA

## **Ngā mihi ki a koutou katoa me ngā tāngata rawe e tautoko ana i ta mātou tari.**

Ngā mihi nui to the fantastic people that support our department, we are all pleased to be on the other side of COVID 19. We are now able to open up and welcome manuhiri back into our kura. It also means we were able to get out and explore our wonderful community again.

This year has been a time of coming back together. We are so fortunate to have a dedicated team to support the most amazing group of tauira who continue to teach us, ako is at work everywhere. Tauira really are at the centre of our learning!

**Transition Group:** This year saw the start of a new group where our senior tauira learnt about the services and facilities in our local community. Tauira have been researching what is out there, planned their own trips, completed self evaluations and thought about how they could be even more independent in the future. Some of the students' favourite places during these visits were The Tea House on the Lake and Puke Ariki.

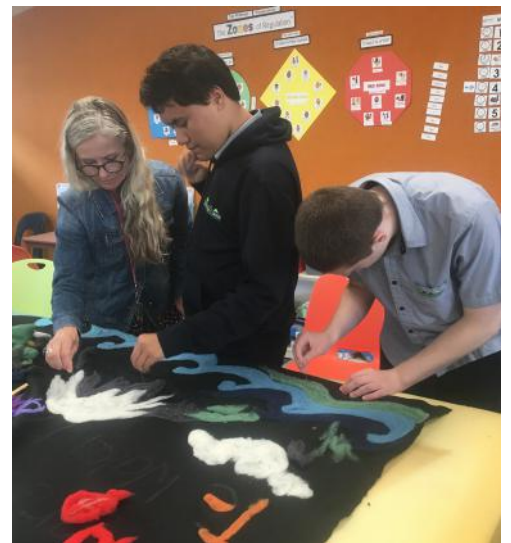

**Whānau Morning Tea:** At the end of Term 3 tauira invited their whānau in for a special morning tea. Tauira prepared the kai and parents got to be in the audience of our STAR Assembly, where we acknowledged the mahi of tauira and shared what we have been doing. After not being able to have whānau in kura for such a long time it was wonderful to have them back. We look forward to many more of these events next year.

This year tauira in Manaaki 1 have covered a range of kaupapa including recycling, which included a visit to our very own transfer station and the Govett Brewster Gallery where we upcycled materials to produce new art works. We blasted off water rockets, continued our te reo Māori & sign language journeys, learnt about the human body and magnets in Science, went on road trips, went on numerous visits to the whare pukapuka and learnt about healthy eating and exercise. As a class we were able to go and watch the production of Bussy Malone, which had been delayed three years by Covid 19. Our department showed support by being a fantastic audience and baking the brownies sold at the show.

**Manaaki 2 highlights this year:** Our therapy space, going to the whare pukapuka, road trips, incorporating phonics within our literacy, and using a new reading program called Reading Eggs.

Tauira love using the gym space to do their gross motor skills with physiotherapist Stella. **Mahi nui!**

## **E TŪ I TE TŪ A TĀNERORE, E HAKA I TE HAKA A TĀNERORE.**

Spotswood College is proud to carry on the legacy of our rangatira who have dedicated their lives to kapa haka and what we have today. These rangatira gave us more than the opportunity to sing and actively participate in kapa haka. It is a journey, a way of life. Behind every performing group we have our Tutors, Nannies, Uncles, Aunties, cooks and kākahu designers – all doing their part to support the performers to strut their stuff!

Making kapa haka accessible to everyone is an important part of life at Te Kura Tuarua o Ngāmotu, and this year we have continued with whole school kapa haka and a more competitive team who have a whole day course of reo, tikanga and kapa haka on a weekly basis.

The competitive kapa haka team required the highest level of commitment, as it is a discipline that demands a level of physical, spiritual, and emotional sacrifice.

This year's student's experience of performing kapa haka at a vast range of regional events, performing on stages for the regional Puanga event, opening act for Te Hana, Puanga pōwhiri, Matariki performance, pōwhiri for the Tattoo

Festival, performing at Synthoni at the Bowl, as well as the huge achievement of winning the regional Puanga kapa haka competition for the under 21 category. Our kapa haka team will also perform at the Christmas at the Bowl, where up to 18,000 people are expected to attend. Kapa Haka has also been invited to welcome and pōwhiri visitors travelling on the Cruise Ships to the Port.

Kapa haka participants shared comments such as:

**"I've gained so much through being involved in kapa haka, including travelling around the country to key kaupapa events."**

**"I might not have had that chance if not for kapa haka."**

**"Your kapa haka team mates and teachers quickly become your whānau."**

As we plan the next phase for kapa haka, and ask ourselves, 'how can we continue to pay back what we have received as a kaihaka?' It is important we mihi to our tutors, Wharekuka and Clive Tongaaw'ikau,

**Vocational Pathways**

# PATHWAYS

## HUARAHI

The past year within the Vocational Pathways department was a very rewarding and successful time for the staff, our students and the connections we developed and upheld within the wider community.

The opportunities afforded to a large percentage of senior students ranged from real world Gateway placements to WITT Trades Academy courses, university papers, Industry Training Organisation and STAR courses, and many other new and exciting programs such as Taranaki Accelerator and Taranaki's first ever SPEEDMEET event.

Our students have benefited throughout their vocational studies. Whether it was the opportunity to use industry standard equipment, network with employers, study in an adult learning environment, or gain a high number of credits and skills to achieve micro credentials and NCEA qualifications. The students have represented themselves, our department and Te Kura Tuarua O Ngamotu in a very positive fashion.

These benefits have resulted in a high number of students accepting employment, gaining apprenticeships, or having the chance to fast track their career pathways due to successful Gateway and WITT involvement.

We were fortunate enough to have a number of students achieve awards within their chosen area of vocational study. Eight students picked up special awards during WITT presentations. We had 4 students presented with 'Most Improved Student' awards for their respective courses.

### They were:

- Briar Harrison (yr 13) **Health and Wellbeing**
- Blake Lusk (yr 12) **Engineering**
- Jake Berridge (yr 11) **Joinery**
- Regan Brown (yr 12) **Sport and Fitness**

We also had 4 students named as 'Top Student' in their classes.

### They were:

- Seb Loveridge (yr 11) **Automotive class 1**
- Ben Nield (yr 11) **Automotive class 2**
- Isabelle Oakes- Hill (yr 11) **Beauty/Makeup**
- Michael Baker (yr 11) **Build a Bach**

We thank all WITT student's for their excellent representation of Spotswood College Careers & Vocational Pathways during their time at WITT.

Our annual Gateway based awards were again well earned and went to:

### Year 12 Gateway Student of the Year:

Harry Davies

### Year 13 Gateway Student of the Year:

Justin Goundar

### Beverley McLean Gateway Trophy:

Luanei Ikitau

### Anne Wilson Entrepreneur of the Year:

Chai Ruakere-Forbes

### Hislop Family Trophy :

Blake Lusk

Our most prestigious award for 2022 was once again the Prime Minister's Vocational Excellence Award. This award is to recognise a student for their excellence and success within vocational education. The award has gained more recognition each year and this year's winner was Journey Tutaki (year 13).

We wish all our students the best for a successful future and look forward to the challenge and enjoyment of supporting you again next year, as your goals and aspirations develop, grow and become reality.

# HE PŪKENGA RINGAWERA

## CULINARY ARTS

Another year comes to a close! The Culinary Arts Hub at Spotswood is starting to wind down and it is a great time to reflect back on the achievements and learning opportunities our students have experienced.

2022 saw a continuation of awesome collaborations with the Physical Education and Art departments in the form of 'Fuel the Athlete', 'Great Outdoors' and 'One Shot Sushi' classes.

The Junior school continued to experience real community based learning with classes ranging from Event Catering, Bring it on Nana's old school cooking and the ever popular Kai with Soul, a healthy cooking programme based on our own school cookbook. Miss Robertson's 'DIY Cafe' was a class with a twist which combined food and numeracy, where the students got to count their calories - literally! - before they ate them.

The Hospitality pathway continues to go from strength to strength. This features Mr Houghton's 'Cafe Kai' classes and Mr Thomas's 'Lunchbox' classes. Additions to this future focused pathway were the introduction of two new courses, 'Barista Service' and 'International Food'. Both classes saw good interest and engagement and will no doubt plant a Hospitality seed for future Hospitality staff, the industry is certainly screaming out for them!

Waving the 'authentic and community connected' banner, the International Food class was run in collaboration with 'Te Waka Kai', the food caravan at WITT. As part of their assessment the students were able to design, make and then sell their international food products to paying customers.

The Culinary Arts Hub is looking forward to further development next year when we will offer more new courses in the form of level two table service and baking standards along with a new level three culinary focus course, the first level three course in some years.

# SCIENCE EVENTS

## TE AO PŪTAIAO

Once again 2022 seems to have flown by at such a rate of knots!

As a department, we have continued to implement courses throughout the school which incorporate topical subjects such as Scale of Science, Living World, Phat Physics, Shaky Earth and Dinosaurs to name a few. We have also continued to offer more specialist Science courses at the senior level in order for students to gain the required pre-requisites for their life after school. There have been some great field trips which have happened throughout the year, particularly Mr Leauga teaming up with Chaddy's Charters and Miss Wollen taking a class to a Gin distillery (ex-Spotswood student, Claire Charteris). It is great to start being able to connect with community groups after not being able to due to Covid.

This year we again had some success at the WITT Taranaki Science and Technology Fair. We were excited to announce the following students who gained prizes:

**Catherine Rielly-Leadbetter** - First Prize in the Photographic Section, Years 11-13

**Melissa Berridge** - Merit in the Photographic Section, Years 11-13

**Lola Crawshaw & Haruna Saito** - First Prize in the Water Rocket Challenge Year 9-10

**Louis Hickson & Jaimee Bloor** - Third Prize in the Water Rocket Challenge Year 9-10

**Catherine Rielly-Leadbetter** - Second Prize in the Scientific Journalism Section, Years 11-13

Our Year 10 Quiz team of Caila Eagar, Jaimee White, Aidan Hocking and Sam Pattison, also did really well and were just pipped at the post to come in a credible third place. Well done to all of you!

To those students who are leaving Spotswood College at the end of the year, we wish you well for your future endeavours. The Science staff want to wish all other members of the staff and the students a restful and well-earned holiday.

See you in 2023!

**Hilary Takarangi**

HOD Science

# THE PAKIREHUA V

## INQUIRY

**“Don't think outside of the box, think of what you can do with the box”**

The 26th of October this year saw our annual Inquiry showcase come to life.

The showcase is a large project fair where all our Yr 9 and 10 students submit their inquiry projects that they have been working on in their impact inquiry classes over the year.

Students select one of the following bubbles to work with a like minded mentor that helps to facilitate the student's individual learning around a topic that is important to them.

- **Sport management, sport science and Hauora.**
- **Creative industries**
- **Science and Technology**
- **Primary Industries**
- **The Performing Arts**
- **Business and Enterprise**

The range and depth of the projects was outstanding this year. The evidence was clear that learners were truly invested in their projects. Some of the highlights include Devils Ball which are natural firestarters created out of the beeswax from our school apiary and Mr Oldfield's old shirts!

Our Dance inquiry students who incorporated elements of play and fighting into their choreography; Awhi, a beautiful kawakawa soap, a bike repair service, shoe and merch design for sports clubs; Scooter wax for generating a nice slidy surface to go scooter tricks on; Kai Now is an initiative to create events to teach teenagers to cook; Mother Eaten which is a conceptual design and animation for a digital wardrobe app and plants an upcycling project that has turned into a fantastic authentic enterprise! And as usual our junior robotics teams compete in the kiwibots competition in Palmerston North and so far are upholding very high standards.

### INQUIRY AWARDS:

#### **The Empathize Award**

Awarded for excellence in research skills for Impact Inquiry.

**Dance Inquiry** - Amber Baxter, Astrid Flynn, Maia Schafer, Scarlett Dinnis, Hannah Dixon

#### **The Define Award**

Awarded for pitching a great solution for a potential design problem.

**Wave Wax** - Dylan Mumby and Sylvia Larkin

#### **The Ideate Award**

Awarded for creativity in generating possible solutions to a design problem.

**Motheaten** - Edin Perkins

#### **The Prototype Award**

Awarded for prototyping excellence.

**The Broken Axles Robotics** - Aiden Hocking, Liam Hofmans, Daniel Marshall, Charley Morris, Sam Pattison

#### **The Test Award**

Awarded for outstanding presentation and documentation of an Impact Inquiry.

**Skin Care Range** - Cullen Broughton

Also on top of these projects we also have some ongoing projects which have been started in as previous inquiry, such as the predator free trapping project, The beekeepers in the Apiary, The market garden and chicken farm, The orchard. Thanks to these and all the learners in business and enterprise and creative and primary industries for their mahi which has sustained The Designery.

Well done to all year 9 and 10's and their outstanding effort for endeavoring to be real change-makers!

# WHA KAAWEAWE

# Japanese: 日本語

## こんにちは。 **Konnichiwa.**

2022 has continued to be a challenging year for teaching and learning in the classroom. However, the students continue to show a positive attitude and it has been a delight to see them all immerse themselves in the language and the Japanese culture. The start of the year brought on feelings of happiness and surprise, when 44 year 9 students turned up to the Japanese classroom. Before this year, I had never had such a big turnout of students wishing to study Japanese. Unfortunately, I had to turn many down to reduce the number of students and asked some students to come back in the second semester. The year 9 and 10 students took part in the NZALT language competition during the International Language Week which was based around the question "Why you should learn a language?" All participated well with many beautifully designed posters created. The three finalists were Melissa Kilian and Louis Hickson (year 9), and Zander Dodunski (year 10). One of the activities that was a highlight from the year 10 class was making a Totoro anime character bento box (Japanese packed lunch). Senior students participated in an online video interaction with students from Hatsukaichi High School in Hiroshima, Japan (Sister School) in both March and October. Everyone enjoyed meeting and discussing various topics, which provided a valuable opportunity to practice communicating in their languages and getting to know each other. This was especially true for the year 13 students, Jazmine Murray, Arman Francis, Austen McDonald and Ryan Tompkins who were confident in their ability to speak fluently with Japanese speakers and utilise their ability to show what they know after studying Japanese for the past five years! Well done. Lastly, we were able to welcome a guest speaker to our Japanese classroom. In August, our former Spotswood Japanese student Kurtis Gilmour was selected to participate in the JET (Japanese Exchange in Teaching) programme by the Foreign Affairs department of Japan. He has been selected to teach English at primary and intermediate schools in Tokushima prefecture, Japan.

I wish everyone continued success with their studies. I am very proud of what we have achieved and it has been a pleasure to teach you all this year.

## **Salut à tous.**

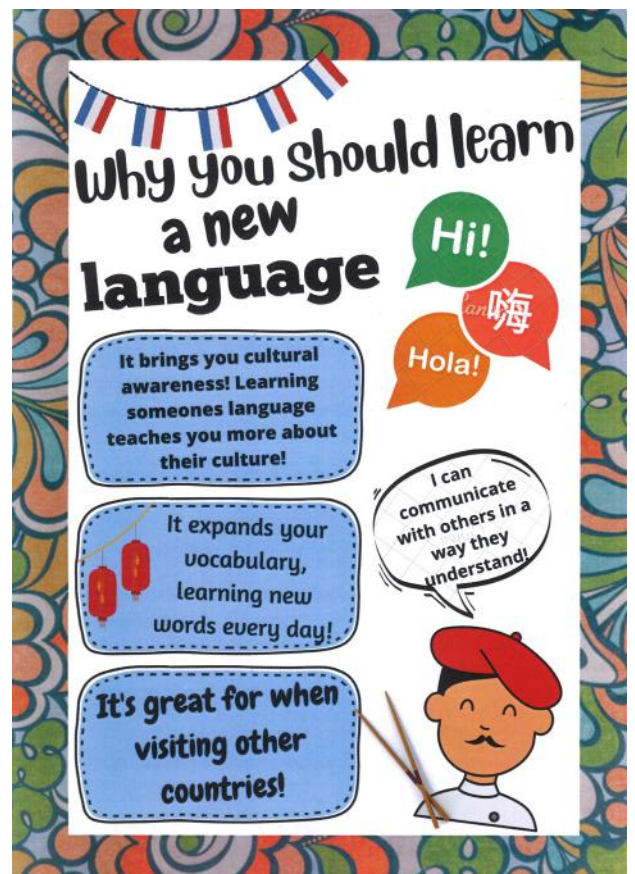

What a year this has been!

This year we asked language students to make posters showing why they thought it was important to learn another language. The varied responses to this task clearly indicated that students are keenly aware of the opportunities that speaking more than one language can afford. A response that came up in many posters was a desire to explore other countries and cultures authentically. As we emerge from a global pandemic, its encouraging to know that our students are thinking to the future with such optimism.

This year in French we enjoyed French music, food and the game of Pétanque. More and more students are using different languages to communicate around the school which speaks volumes about the authenticity of the student's desire to communicate. I couldn't be more encouraged by the fact that our rangitahi are so ambitious to learn and they have been a pleasure to teach this year.

**Merci à tous, nga mihi nui koutou**

David Giles

# TE TĀRAITANGA ME TE PEITA

## PAINTING

At the start of 2022 our college had two new highly energetic Art teachers, Ms Erin Kelly and Ms Reihana Conaglen, join the team of Mr Upson, Ms Aly Scott, Ms Rodgers and Ms Healy.

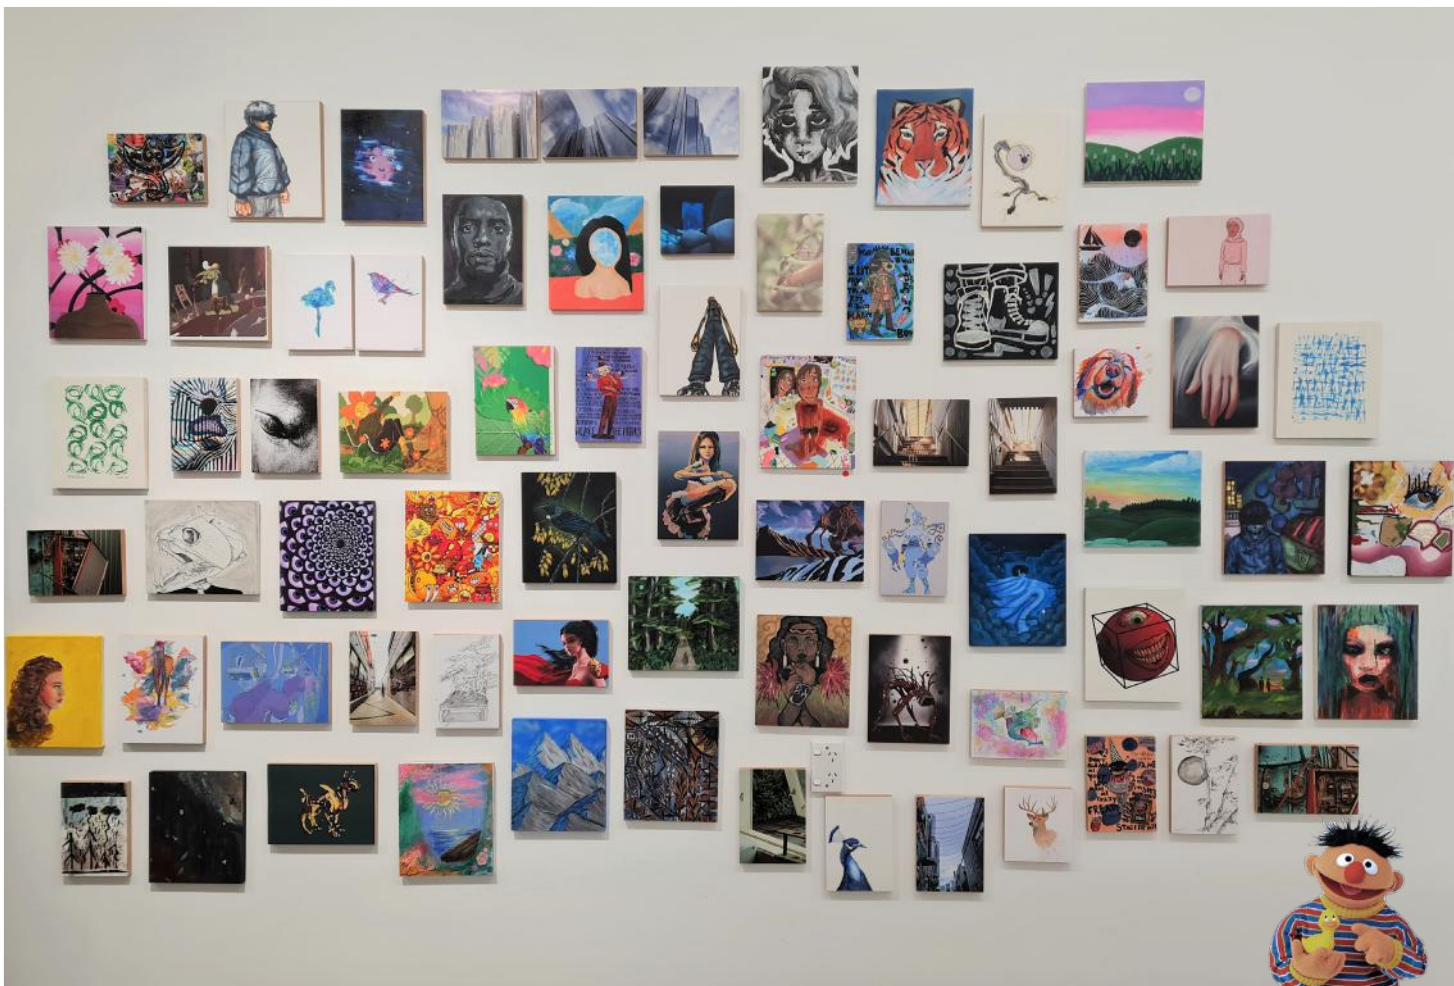

Ms Kelly took over the Senior photography class and introduced the first junior photography class. She also took an extension art class that encouraged Year 10 art students to produce their own ideated works. Ms Kelly also introduced our first junior Art History class where minds were opened to a wealth of art styles and ideas. Another first time class was junior watercolours that allowed for a whole different skill set for Ms Kelly to unleash on our students.

Ms Conaglen, known by the students as Rei, has been passionate with her junior printmaking class, creating experimental monoprints and woodcuts. She led students to create large mini-mural paintings in her street art class and produced a wonderful variety of activities in the junior drawing class. Rei led the school's ceramics class where lucky students got to create and fire their own pottery. I am so appreciative of these two outstanding teachers.

Our junior students exhibited at the Collaboration Gallery in town where thirty artworks were sold. Our art teaching team is buzzing about the high calibre of student's art skills in our extensive junior art programme, which bodes well for the senior years to come. Next year, 2023, looks set to be another fantastic year in the art rooms with twenty junior art courses being offered! This includes what I think will be the first 'art performance' class to be taught in Aotearoa. We have also introduced our first mixed media art class, landscape only class, and an experimental painting class.

### Happiness Now,

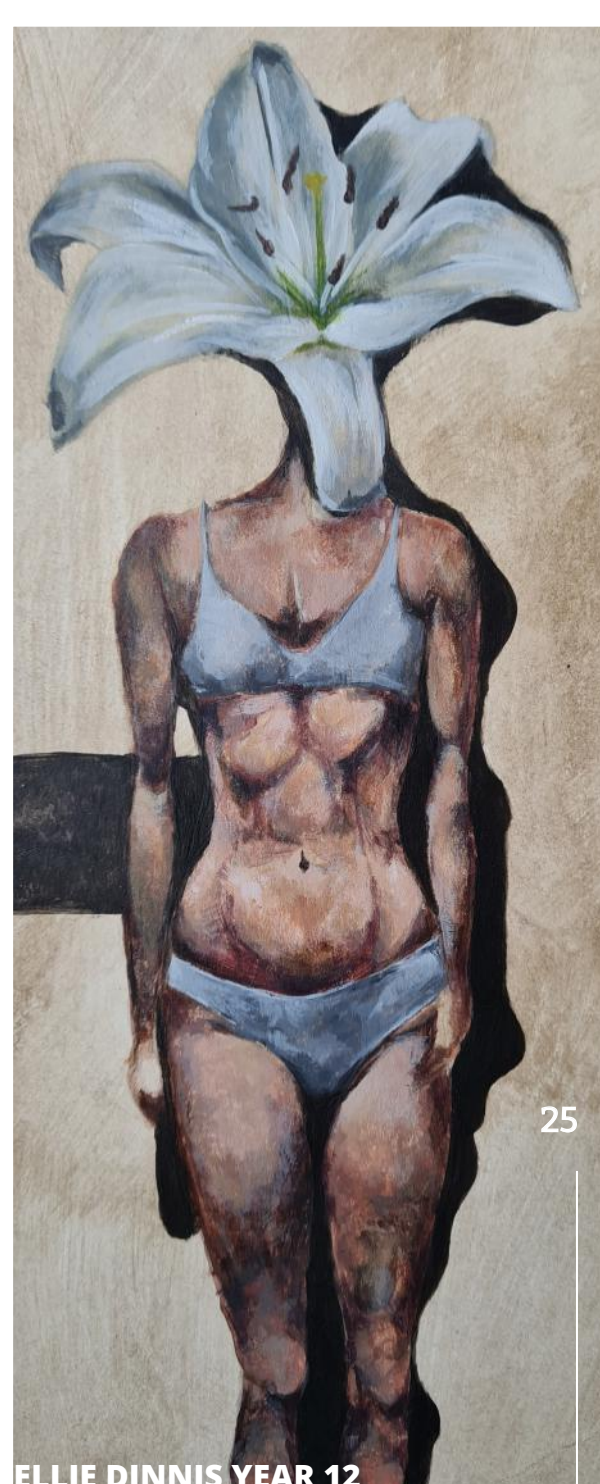

Mr Upson

# DRAMA

## WHAKAARI

A student in a white shirt and bow tie is behind a bar. In the background, there is a vintage poster of a woman in a red dress and white wings. The scene is set in a room with a yellow and black geometric patterned wall and a bar counter with various bottles.

We started the year with the focus of the seniors going to Stratford for the annual Otago University SGCNZ Sheilah Winn Regional Festival. Despite having only one group enter, we still ended up being selected for the nationals in Wellington on Queens Birthday weekend. Unfortunately we were thwarted, again, by covid and had to rely on our amazing Yr 13 to step in at the last minute. Luckily Lestat McKinnon and Chai Ruakere-Forbes were coming with us to Wellington to support our rōpū and were willing to put in the work to learn the parts that we were missing.

They were so popular during the performance at the Michael Fowler Centre that they had to keep pausing for the audience to laugh, and as a result went 6 minutes over the time limit, which meant we were disqualified from the competition. The positive feedback from both the judges and the audience told us that our performance was a favourite and that meant more than any awards from the competition.

We were lucky to be able to see several pieces of live theatre this year, including, Cradle Song at Cue Theatre in Inglewood, Mama Mia in Hawera, Matilda by NPOS and Te Wheke by Atamira

Dance Company at the TSB Showplace. Matilda was definitely a highlight and was enjoyed by 60 students. Thank you, again to NPOS for the amazing schools programme.

Massive Theatre Company also added to the variety of learning this year by coming to Tarana-ki for a week's residency and providing us with a day's workshop. Thank you to Sam Scott and her team for this amazing, free, opportunity.

In July Stacey Hayes and I travelled to London for her 2 week intensive course in everything Shakespeare at 'The Globe'. We were away for 3 weeks in total and were in London for just under 2 weeks with 3 days in Stratford-upon-Avon to finish off our trip. The 44 students and 4 staff were kept very busy with a schedule of movement, text, voice, dance, singing and rehearsal workshops. We also managed to fit in half a dozen shows and theatre visits. It was an amazing experience for all and although absolutely exhausting, it was definitely an experience I would willingly repeat. It was a pleasure to meet and work with the other students and staff. Thank you in particular to Dawn Sanders for her relentless effort and hard work in keeping SGCNZ running and offering these rangatahi this once in a lifetime opportunity.

# HE WHAKAATURANGA Ā KURA

Bugsy Malone. 7 - 10 September.

This year we finally had the opportunity to perform Bugsy Malone. We originally started rehearsals last year but due to lock-down, we were unable to perform. This year we recast some characters and got straight into rehearsals. With the help of our director, producer, and musical director, we once again had a show to put on.

The scaffolding got put in and we got all of the costumes and props. Then the stage and hall was draped and sound and lighting was in and before we knew it, it was opening night.

This show is an unusual spoof of old gangster movies in which a cast made up almost entirely of children sings and dances its way around Prohibition-era sets, substituting machine guns and bullets for toy guns and shaving cream.

With time, our cast and crew grew an irreplaceable bond amongst each other and for some of us, putting on a high school production at a professional level has been a once in a lifetime experience and we are all thankful to everyone who has helped make it happen.

# MUSIC

## WAIATA ME NGĀ TAONGA PŪORO

Music is an art form with human interaction at its centre! Its power to connect people is without question. 2022 has been a welcome year in its offerings to our students in the music department at Te Kura Tuarua O Ngāmotu. To be involved 'yet again' in music creativity and performance after lockdowns and isolations was a healthy reminder of why music is so important for wellbeing and connectedness.

The roll growth of student's wanting to take music study this year opened a position for another full-time music teacher, Juliette Parker, to be welcomed on board. We have also been able to cater for student's musical growth through the help of a talented number of Itinerant teachers - Juliet McLean (keyboard/singing), Maya Amstad (singing), Matt Benton (drums/brass), Caleb Haapu (Guitar/bass), Julian Raphael (acoustic guitar), Jacques McCullum-Lind (music technician

and assistant) and Jamali Amstad (midi sequencing DAW). The music department, led by Matua Joe Amstad has become an industrious hub of creative musical activity!

We also farewelled Robert Greenfeild, Nic Lambert and Robin Wells. We appreciate the time they have given at Spotswood and wish them well in their future endeavours. Highlights of the music year were in abundance!

With the cool down in alert levels, our student bands were able to perform once again to a sell out gig at Mike's Brewery. This spectacular showcase of our student music talent and hardwork was a credit to everyone involved. Our bands, their families and teachers were able to enjoy the fruits of all their hard work in a real life context of celebration and community. We were extremely proud of their professionalism and dedication. The junior and senior bands are currently preparing for another gig at Mike's Brewery on November 11th.....and it's priming up to be a banger!!

The Senior band, Boiled Up Roots', also had the honour of being invited to the Matariki Festival of the Lights at GreenDoor Cafe and the Hana Street Festival. Each of these gigs gathered an audience that delighted in the standard of entertainment on offer! Ka mau te wehi BUR!!

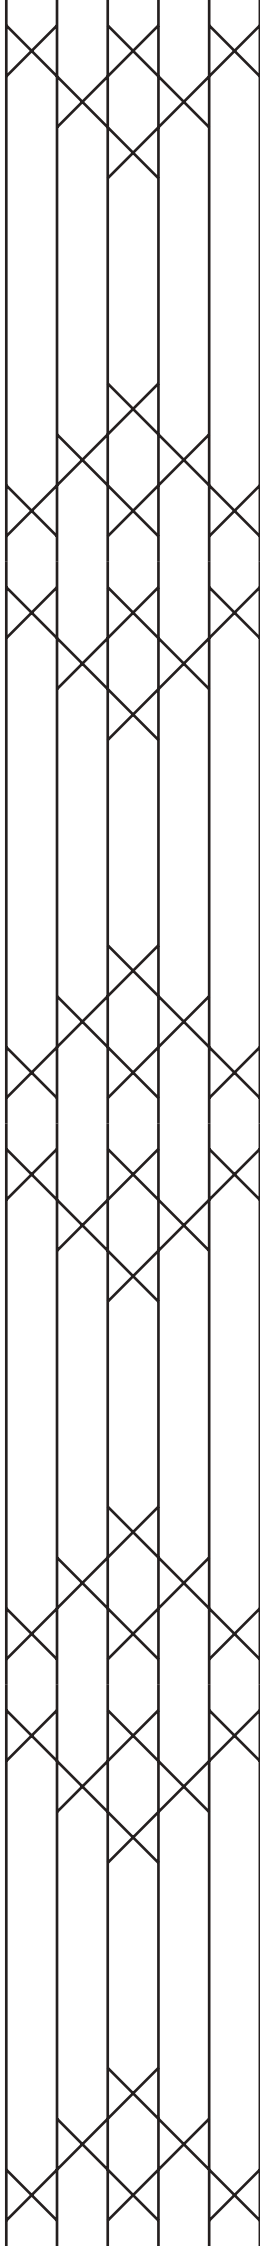

Other up and coming events to catch these cool vibing bands performing will be January's Festival of The Lights in Pukekura Park and The Festival of the Lights on Tour.

Another exciting facet of our wider department umbrella 'Performing Arts', was that many of our music students were able to take part in the fabulous school production 'Bugsy Malone' produced by Head of Performing Arts Marie Hunneyball. Some music students had the experience of singing on stage or being part of the band to accompany the show. A special thank you to the band members for their contribution of many hours of practice and rehearsal. You did an outstanding job and were immensely appreciated!

This year will sadly be the last year of college for Eli Butler and Jazmine Murray, both year 13 students. Both these music students have made an outstanding contribution to music at Spotswood College. We have sincerely appreciated all that you have contributed through your commitment to music. Not only have you been diligent students but the sacrifice of your accomplished music skills in giving back to the college through performance, accompaniment, mentoring and role modelling has been outstanding and such a credit to you both. We wish you well as you further your music studies and will delight in following you both on your life pathways.

Spotswood College Music department is committed to future thinking in music education practices. In term 3, our full time teachers attended a music professional development course in Wellington. This course was highly informative. They looked at how to integrate music technology into the compositional process for years 9-13. Through using MIDI technology students become highly motivated to produce great work which is instantly accessible on a world scale. We are highly excited about the opportunities we are able to offer our students in 2023 and are looking forward to being the first to hear some cutting edge compositions from our rising stars.

# TIMBERTECH

## HANGARAU-Ā-RĀKAU

In the world of ever-increasing development and growth of online technologies, practical activities such as wood and metal work remain equally important and popular with the students of Spotswood College. Along with the knowledge and use of basic skills, materials and tools, students have the freedom to design and create products of their choice, resulting in some cool and interesting outcomes. The introduction of our amazing laser cutter has widened students' imagination and opened new product possibilities. Senior students have opportunities to grow their interest, develop a portfolio and "sharpen" their tools, ready to take advantage the ever-increasing opportunities in the Trades and construction workforce.

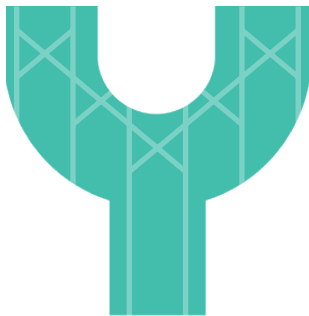

**G. JOLLY**

## YOUNG ENTERPRISE | PĀKIHI TAIOHI

We have had a super fun year in both Junior and Senior Enterprise. Students have designed and tested fun and innovative products, and then developed clever business and marketing strategies around these. All products start with a Global Goal and in some way address or promote these big ideas. We like to think local and act global!

They have worked collaboratively, assigning each person business roles aligned with their strengths and interests. This has helped to manage resourcing, schedules and timelines to get products successfully to the market through the school 'Designery', The collaboration, Ngamotu beach markets, The Coffee Cart, Vetro and Storbie websites.

Senior students, having developed products in junior years have this year been able to take these and compete in the national YES programme. This has guided them in every aspect of business management from accounting, registering a company to social media diagnostics and pitching in front of a panel of local business experts. This has provided them with exposure, seed funding, business collaboration and partnership opportunities. They even had their own business cards printed for free!

### JUNIOR HIGHLIGHTS

**WAVEWAX @wavewax\_spotswood** - Born from #Life below water Sylvia Larkin and Dylan Mumby looked into the local problem of kaimoana over fishing which has resulted in an extended rāhui around our coast. They started with weaving traditional kaimoana gathering kete in various shapes and forms, even helping plant harakeke with Te Atiawa in much needed areas experiencing coastal erosion.

This kaupapa led to their business WAVEWAX being formed which makes 100% natural and biodegradable wax for surfboards using the bees wax from the school hives.

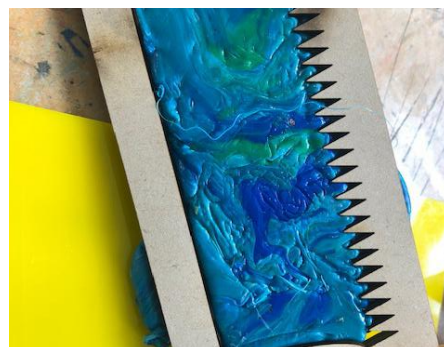

They have a healthy instagram following and have trialled their product with local surfers, gathering much needed feedback to inform their product development. If you are interested in being part of the trial contact @wavewax\_spotswood

**AWHI** - (to embrace, hug) was developed to provide self love; care and help to women. Summarose Tongariro, Andy Deller and Elle Wilkes looked into the alarming statistics Māori women are represented in such as health, incarceration, and pay parity. At the first stage of their project they researched rongoā and found the huge healing benefits of the humble kawakawa leaf and flower. Collected from school grounds they began drying the leaves and trying to extract the fresh scent.

**COAST** - Regan Walshaw understands how to work and manipulate HDPE plastic. Starting his business by collecting bottle tops from home, the school staffroom and JET CHARM barbers shop cafe. Tops were then sorted into colours with white tops being in demand so the marbled look could be created. In-keeping with the coffee theme he created hexagonal table coasters in a range of colour ways. Coast then teamed up with WaveWax to begin testing and trialling creating recycled bottle top surf wax combs. As we all know bottle tops are one of the main offenders in Tamaroa's increasing plastic problem.

**PLANTS @plants\_upcycle** - Plants was formed by Emma Goodin and Dusty Baldwin in response to . They began collecting unwanted clothes and re-styling these by adding, cutting, bleaching, dyeing these garments and giving them new life. This led to the development of eye pillows sourced from scrap fabrics in the textiles room.

## SENIOR HIGHLIGHTS

## WINNER OF YES

**Ahi Tote** was developed last year in junior enterprise inquiry. It began by looking at ways to use all the produce from the school garden. This quickly developed into a product which showcases the taste of home. Fire Salt - handcrafted by Sea, Fire and Earth. The smoked salt uses flaked Marlborough sea salt, and a special blend of spices is smoked over manuka woodchip and finished with Horopito from our mouna - Aotearoa's native mountain bush pepper. This is the taste of Taranaki - and their customers love it!

**Ahi Tote** is formed from: CEO Nevaeh Allen, MARKETING + DESIGN Kanitha Walbrecq, CFO + PRODUCTION Jezmah Gardiner-Flemming entered into the senior YES programme and successfully won \$600 worth of local seed funding and grants to help with the start up costs of up-scaling their production to meet consumer demand. They have worked hard throughout the YES programme, and have secured a long term supply contact with Vetro New Plymouth. They have had great sales experience and feedback from the Ngamotu beach markets, and invited to the Business

**Ahi Tote** is gathering a world-wide following or Check out Mr G - artist and influencer promoting their product! If you need to add some more fire into your belly go to @storbie, Vetro NP or see them at the Ngamotu beach markets.

This year we have seen an increase in students wanting to get involved in robotics. Our first event of the season was the Taranaki Science Fair. We had one entry in the Remote Control senior division - Marcus Joubert. Marcus spent a lot of time studying the idea of a sumo bot. He did very well but unfortunately was out-powered in the competition. The science fair is a great learning experience for students interested in robotics and we hope to have a few more teams entered next year.

Our Vex robotics season started with a bang this year. We have 2 senior teams entered in the VRC competition. Teams are made up of Ethan Clough, Beckham Kennedy and Tyler Lay (The Torque Tornadoes) and Brayden Ford and Luke Davey (The Fender Benders). We also have two junior teams entered in the IQ competition. Team are Aiden Hocking, Liam Hofmans, Sam Pattison, Daniel Marshall and Charley Morris and our second team is Bjorn Fuhlendorff and James Chapman. We have had some amazing results in the scrimmages so far with a both senior and juniors team in the finals. We still have a few more scrimmages left and Nationals for the Juniors in December in Wellington and our senior nationals in Auckland in February 2023. We're hoping to see some awesome results but would absolutely enjoy the experience of Nationals.

We would like to thank The Ford family for sponsoring our Senior Robotics Vex teams and also Farley family for the sponsorship of our Junior Robotics Teams and all the families of our teams for helping out this season.

SPOTSWOOD COLLEGE 2022

# EVOLOCITY

It had been a long time coming but we finally made it. 2022 Evolocity Taranaki Regionals saw two Spotswood College teams enter. Ackermans Army - Ethan Clough, Eben Mullin and Brayden Ford entered into the 3 wheel competition. Spotty Gorillas - Ethan Sansom and Clinton Tylee entered into the 2 wheel Competition. It was an amazing day down at the Waitara Kart Sport Track. The teams competed in three events, a drag race, Gymkana and an Efficiency race.

The drag race saw teams get up to the fastest speed on a 50m track. Both teams reached 20+km in their respective events. The gymkana required teams to weave in and out of cones (slalom) before driving a circuit around the slalom to collect and deliver the 1L water beaker.

During this time they can choose to gain extra points by driving along the length of a board with varying widths. The Spotty Gorillas took out their division but unfortunately Ackermans Army was not so lucky and flipped the kart during the last leg of the race. With multiple issues at the start of the day this team would not let anything stop them.

We look forward to having more teams in next year's race and seeing what our students are capable of. We would also like to thank the families of our teams for all their support and hard work leading up to and on the day of the event.

**Jana Robertson**

HOD Technology

## SPOTSWOOD COLLEGE RACING RESULTS:

- Engineering Excellence and Innovation - **Ackermans Army**
- Best in Show - **Ackermans Army**
- 3rd Overall performance winner - **Ackermans Army**
- Fastest Kart - Drag Race - **Ackermans Army**
- Fastest Bike - Drag race - **Spotty Gorillas**
- 1st Overall Performance Winner - **Spotty Gorillas**

# ENGLISH EVENTS

## HE TAUWHĀINGA REO INGARIHI

This year Spotswood established a debate club with the goal to compete against other schools in the Taranaki region.

As this was our inaugural year we were a debating class of growth. We learnt skills in public speaking, confidence, asking questions and how to successfully argue with your parents. Our debut debate against Hamilton's Fraser High School was exciting, and an opportunity to sharpen our debating claws. Thanks to the pandemic, Zoom debates have become an established medium competition and we were able to use this to engage with the team from Hamilton.

Debate allows us to discuss current issues and politics, strengthening our own opinions and ability to defend our stance. Some of our favourite learning experiences have been participating in debates, playing four corners and impromptu speeches.

In 2023 we will be going to the Central North Island Debate regionals to compete against the other teams in our region.

### THE RACE UNITY SPEECH AWARDS

This is held every year in May at the New Plymouth District Council Chambers.

This year we had three Year 12 Spotswood College students participate in this prestigious event: Ellie Dinnis, Bella Hopkinson, and Isis Kennard.

All students performed to such a high standard. Ellie Dinnis was runner up this year and we at Spotswood are so proud of her efforts and

those of the other two participants, Bella and Isis.

### 2022 ENGLISH ORATORY

This annual event was held in-house this year. We wish to congratulate all the many participants at each year level who really made this event memorable and worthwhile.

### THIS YEAR'S WINNERS

#### YEAR 9 Speech

- 1st Equal Kenzie Gray & Indie Shearman

#### YEAR 10 Speech

- 1st Aster Danenhauer
- 2nd Scarlett Dinnis
- 3rd Faye Mula

#### YEAR 11 Speech

- 1st Equal Catherine Rielly-Leadbetter & Izzy Oakes-Hill

#### YEAR 12 Speech

- 1st Ellie Dinnis

#### YEAR 12 Monologue

- 1st Alastair Abdulin
- 2nd Maaia Waiwiri
- 3rd Alex Edwards-Carter

#### Year 13 Seminar

- 1st Equal Jazmine Murray & Hana Ono

# SOCIAL SCIENCE

## TE AO PŪTAIAO

This year our faculty has been focusing on further implementing new lessons, topics and assessments as part of the curriculum. Our aim again this year has been to create courses which are interesting, contemporary and student focused.

There has been a large variety of courses within the Social Science faculty this year. Two courses which have proven to be very popular are **LET'S GET PSYCHED** and **CRIMEBITES**. Many students have attempted psychology standards this year which is very pleasing considering the subject has only been at our school for four years. We have also offered courses in literacy, numeracy, Junior STEAM and Senior STEAM.

Our HOF Social Science, Gavin Parr, taught Geography and Psychology. Assistant HOF Social Science, Lewis Whyte, continued to teach History, Tourism and Psychology throughout our numerous courses. Ben Chapman was Teacher in Charge of Commerce in 2022. He continued teaching Accounting and Economics. Scott Johnson taught Junior STEAM and Junior Inquiry classes this year. Rebecca Thomson taught

Geography and History in a number of courses this year.

Due to COVID field trips were again impacted this year. Year 13 students studied Mt Taranaki and completed surveys as part of their research on the impacts of a volcanic eruption.

Rebecca Thomson continued to oversee the New Histories Curriculum which includes restructuring History to fit with its status as a compulsory subject in 2023. We will also be focusing on developing resources for the changes taking place in NCEA into 2023 and beyond. Our courses lend themselves to guests and experts so we aim to invite more speakers into our courses in 2023. We also hope to implement more field trips outside of the Taranaki region.

Lastly, thank you to all the Social Science staff who worked so well and so hard in 2022.

**Gavin Parr**  
**HOF SOCIAL SCIENCE**

# HE HONONGA TĀWĀHI SPOTSWOOD INTERNATIONAL

Our International Department plays a key role in Spotswood College's long history of creating a welcoming and dynamic environment that fosters and grows cultural diversity.

Having recently come out of COVID restrictions which had us in a long recess, now more than ever, we understand how vital it is to reignite and reconnect with international students from other countries.

So in the second half of this year we were delighted to welcome back to our school, our first international students in over two years.

This year we welcomed into our school whānau Lionel Hoelzel and Maja Briese from Germany and Smilla Ravn from Denmark

Alongside our modern and innovative curriculum, the International Department has worked to offer students exciting and authentic learning opportunities making the most of our geographically mesmerising landscape, from the mountain to the sea.

Students have been involved in outdoor education programs where they spent a night on the mounnga (mountain), and paddling on the sea as part of a waka ama course.

They have taken advantage of the strong cultural and arts community, visiting art galleries and museums, and joining the school kapa haka team.

The students have been fully involved in all aspects of schooling life, they have joined or supported sports teams, been involved in student led initiatives like our strong environmental practices Para Kore (zero waste), had a spate of beekeeping, volunteered in our student run Designery shop, created school murals and supported our school production.

As summer season gets closer we look forward to a number of trips out of the region, and continuing to enjoy our home town with surfing, bush walks and fishing.

Bringing together people from multiple cultures into one classroom, into our kura, makes for a very lively and productive learning experience – one that reflects the world students will go into. We very much look forward to welcoming a growing number of international students in 2023.

## The International Team

## SPORTING OVERVIEW:

2022, the year the sporting landscape reverted to normal and our young people got to be active and play the sports they love again.

2022 was a rebuilding year for sports at Spotswood College. We tried some new approaches to things, which didn't have the success as intended; and stuck with the 'if it ain't broke don't fix it' mantra to other things which ensures the SPC Steam Train keeps rolling.

We saw player numbers increase in netball, rugby and basketball, which is promising moving forward. Our junior girls and boys basketball teams, and a football team were sent to national Winter Tournament Week for the first time in 3 years, which was noticed by schools from all around the motu. Our off-road motor-cross adrenaline junkies continued to push hard, with year 9 student Alana Wood making a name for herself amongst some already established riders in Houghton and Lusk.

The volleyball train continues to chug along and give endless opportunities; while we had a lot of individual sport success with students like Harrison Larkin and his Rock Climbing. We've had an impressive influx of year 9 boxers dubbed the 3 Terrors of Tag. 2 of the 3, Huriwaka 'Chest Day' Dean and Cordel 'Cannon' Campbell took out national titles, with Taylen 'Mighty Mouse' Behrent getting silver. The everpresent Zara Erol-Watt has had a busy year having been selected in the NZSS U19 Football team to tour the USA in 2023. Away from competing, Zara was appointed to the School Sport New Zealand Student Athlete Commission. One of only 6 students selected nationwide, Zara works closely with the CEO of School Sport NZ and TSSSA to provide student-led initiatives and feedback from a students perspective.

Schoolwide the sportspeople are there, something we've always known. We just need to nurture them along and keep them motivated to stay involved!

To all our coaches, managers, volunteers, uniform washers, taxi drivers - where would sport be without you.

There's no denying that in 2022, sport is a different beast. After Covid interruptions throughout 2020/2021, attitudes and mindsets have shifted to the value placed on being involved in sport. Whether as a player, a coach, a manager, a volunteer; people don't view sport the same anymore. This is no fault of any one person, but it is getting harder to attract and retain players and volunteers for sport, which has stretched some of our resources.

Without those who gave up their time to help out and be involved, on behalf of Spotswood College Sport, thank you!

For anyone wanting to get involved in 2023, please contact me at any time to discuss this. Other than that, enjoy summer and bring on 2023.

**Carlin Kumeroa**

## 2022 Junior Girls' Basketball:

The 2022 Junior Girls' Basketball team competed in the Hipp Accounting Secondary School League. The team won the Tier 2 Division of the competition. The girls finished in 3rd place in the regular season. They beat Sacred Heart Junior B 60-36 in the semifinal. They then impressively beat Sacred Heart Junior A 74-50 in the Final at TSB stadium.

The team's MVP and leading scorer was Olivia Hansen who scored 13 points per game. She was an inspirational leader on and off of the court. During the latter portion of the season Lyneka Ross transferred to Spotswood College. Lyneka provided the essential height, aggressiveness and experience which was a foundation for the team. Valencia Shaw and Oralea Rodger played a huge role on the team. Valencia fiercely fought for rebounds and Oralea provided the never ending energy for the team. Two year 8 Devon players, Madison Abrams and Zaria Davis joined the team this year and were able to produce productive minutes while on the court.

During the year, the team competed in the New Zealand Basketball Zone 3 Junior Premiership Regional Tournament. This year's tournament was held in New Plymouth. The tournament featured 5 top teams from the Zone 3 region. Spotswood finished last in the tournament but were able to learn some valuable lessons and key skills in order to improve their performance in 2023.

**Team:** Olivia Hansen, Lyneka Ross, Oralea Rodger, Valencia Shaw, Jayde Katene, Sapphire Katene and Trenyce Broughton-Kunaiti.

## 2022 Senior Girls' Basketball:

The 2022 Senior Girls' Basketball team competed in the Hipp Accounting Secondary School League. The team finished in 4th place in the Tier 2 Division. This was the first year that this group of players played together as a team. The team always fought valiantly and made the opposition work for every basket.

The team MVP was Ashleigh Hill. Ashleigh led the team in scoring with 13.5 points per game. She made the difference and was the main catalyst of the team. Jaime Pihama and Jordyn Woods formed a dynamic duo on the team, crossing over their netball skills to the basketball court. Aalyah Crofsky was the team's long distance bomber. She was the second leading scorer on the team, averaging nearly two 3 pointers per game. Aisha Campbell provided senior leadership and quick, uptempo play throughout the year.

Most of the team is returning for 2023. The team plans on building on the positives from 2022 and increasing the number of wins in 2023.

Team: Ashleigh Hill (Captain), Jordyn Woods, Jaime Pihama, Aalyah Crofsky, Oliva Hansen, Rheagan West, Aisha Campbell, Lyneka Ross.

## 2022 Junior Boys' Basketball:

**Team:** Ty Greenbank-Wilson, Komene Tenana, Cooper Rowe, Jovahn Hine, Breez Manu, Rotz Kavanaugh, Luka Ruakere-Sutton, Taylen Behrent, Ryan Cameron

The 2022 Junior Boys' Basketball team competed in the Hipp Accounting Secondary School League. The team won the Tier 2 Division of the competition. The team finished 2nd in their pool only losing one game after the tier division. The team then beat Francis Douglas Memorial College 69-67 in a close semifinal battle. Spotswood ran rampant in the final beating Hawera 102-62.

Ty Greenbank-Wilson was the MVP of the team averaging 23 points per game. He was a dominant force the entire year. Rotz Kavanaugh joined the team during the latter portion of the year and provided height, rebounding and a defensive presence. Breez Manu provided great guard play and consistently played well all year. Komene Tenana unfortunately injured himself at the start of the year but was able to return for the final game. He was a huge addition to the team and pushed the team to a much higher level. Cooper Rowe was also a valuable player of the team. He brought plenty of energy to every game.

During the year, the team competed in the Zone 3 Regional Premiership tournament. The tournament consisted of some of the better teams in the region. Spotswood finished second in their pool. Spotswood then went on to win 5th place in the tournament and produced a great performance in the 5th-6th playoff game against Feilding High School. Spotswood won 69-64.

Overall, it was a productive year for the Spotswood Junior Boys. They improved throughout the year and peaked their performance during the playoffs.

### 2022 Senior Boys' Basketball:

The 2022 Senior Boys Basketball team competed in the HIPP Accounting Secondary School League. They went 3-6 in pool play, and made the tier two playoffs where they played in the semi-final against Stratford in Stratford. It was an extremely close game where every call mattered, and it played down to the final buzzer. Jordan Dove played an amazing game putting

up 29 points and giving it his all, however the team was unable to close the game out, and we lost 56-54.

Jordan Dove, captain of the team and the season's MVP was a reliable player on both sides of the floor throwing down some vicious dunks throughout the season and lighting it up from midrange and the three point line. He averaged a team high 22.4 points per game and 1.6 made 3-pointers. Jordan also provided the team with key leadership on and off the court, sometimes leading the team huddles.

Lachy Goldsack, the starting point guard, was a machine on offense, averaging just under 15 points a game, and always providing a spark whenever the team needed it.

Ty Greenbank-Wilson, is a junior player who really stepped up this year and started in some of the games this season. He played an exceptional game against Hawera High School, dropping a team high 26 points, with three made 3-pointers. Ty averaged 9.6 points per game this season.

Leo Lea'ana was a reliable center, who played every game this season and averaged 13.1 points a game. He was the anchor of the defensive plays, and was an impactful player on both offense and defense.

Zalan Lizan even though only playing one game this season due to his absence on holiday, played an incredible game against Inglewood High School recording a double double with 26 points and 12 rebounds, 8 of which were offensive boards.

Most of the team will be back for next season, have already started training in the off-season and are hoping to play in a summer league over the break. Some goals for the team next season are to play in the AA Premierships in August, and play in the Taranaki Men's league as well as the Taranaki Secondary Schools league.

**Team:** Balu Molnar, Zalan Lizan, Leo Leanna, Ty Greenbank-Wilson, Lachy Goldack, Noah Richards, Jordan Dove, Manaaki Nghoe, Kaya Lawrence, Nesta Haddon, Hunter Davis

## FOOTBALL - WINTER TOURNAMENT WEEK 2022

After a 2 year hiatus due to Covid, Winter Tournament Week was all go for 2022 and back in full swing. This saw the National 2nd XI Tournament hosted by NPBHS back on the radar, and Spotswood College entered a team of our talented round ball exponents to finally get their chance to represent the school in football.

The team was drawn into the 'pool of death', coming up against 2 very well known footballing programmes in Wellington College and Tauranga Boys College on day 1, while the relatively unknown Thames High 1st XI rounded out the pool on day 2.

Unfortunately pool play didn't present any wins which meant the first game out of pool play on day 3 would determine what half of the bracket the team would sit.

A morning win on penalties against Central Hawkes Bay College XI, saw us take on neighbours NPBHS in the afternoon to play for 9th/10th. Unfortunately couldn't back up the morning's efforts and had a tough loss as the crew was starting to feel the effects of the week, not to mention the unusually warm temperatures.

Fourth and final day saw us playing for 11th/12th against Upper Hutt 1st XI which again, went to penalties. Step up Samuel Woodward who despite not playing all year was unfathomable in goal and meant the team placed 11th out of 16.

An awesome opportunity for our young footballers to represent school, something they're not usually afforded the chance to do, but was one they took with open arms. This group should see a few more years of tournaments out together while blooding some up and comers, which is positive for our footballers!

### Match Results

Wellington College: 2-1 loss  
 Tauranga Boys: 8-0 loss  
 Thames 1st XI: 3-1 loss  
 Central Hawkes Bay College 1st XI: 3-2 Win (penalties)  
 NPBHS XI: 3-1 loss  
 Upper Hutt College 1st XI: 3-2 Win (penalties)

## Cross country and Enduro:

This year has been an exciting year with some of our senior racers doing really well in the New Zealand Cross Country Championship. Blake Lusk (Yamaha YZ125) came 3rd in class. Josh Houghton (Husqvarna TX150) raced 3 out of the four races, but had to race the senior race as he turned 17 in the middle of the series, He came 2nd in class, 1st in teams and a 2nd in class for the final senior race.

We took a small team to the North Island Schools Cross Country Championship, which was a single race, on a sand-based track. The highest placed was Alana Wood who placed 1st in the ladies class. Blake Lusk rode well and came 2nd In the 125 class, Josh Houghton got tangled up on the first corner, making him last off the line, to get through the traffic into 2nd, but crashing out in lap three and unable to carry on. Ty Roseman rode his first XC race on his Kawasaki 85 and did really well coming 11th.

In other events around the country we have Blake Lusk leading his class in the GNCC, with one more round to go. Josh Houghton came 2nd in class at the Sprint Enduro in Masterton. Blake and Josh both had good results in the Forestland XC with Blake Coming in 4th and Josh coming in 7th, which was held in Tokoroa. 1st for Josh and 2nd for Blake in the local Johnstons XC series.

## Motocross :

Alana Wood came 9th in the New Zealand Junior Championship; so pleased for her to be in the top ten in the whole of NZ. Well done. She has shown good consistency and is getting better all the time.

## TSSSA MX :

We had a good team this year, unfortunately the dates crossed with another national event meaning not everyone could attend. The day went well and saw another member of the team

compete for the very first time - Connor Hills who rode really well ending up coming 3rd in the 85cc class, followed by Ty Roseman coming in 4th.

Blake Lusk, again coming in at the pointy end of the 125 class, won his class. In the Women's event Alana Wood came away with 2nd in her class. When the points were all calculated our Spotswood Team came away with a 2nd place. On a side note our team looked very smart in their team hoodies.

Good turnouts for the Thursday MX training, with wet weather and many practice times being cancelled. But, any time in the saddle is a good time. These training sessions are great to get our team to give it a go, I hope to encourage more of them to compete in some of the events we go to.

We had a small trip to Taikorea earlier in the year, which was really good. The sand-based tracks are hard to get to grips with if you have not ridden that kind of terrain. The team rode well and gained valuable experience.

### Mountain Biking:

A small team entered the Taranaki Enduro held at Mangamahoe earlier in the year. Only the top results were listed. Alana Wood won the under 15 Female. Awesome! Harris Krogh came 2nd in the under 19 males, followed closely by Josh Houghton who came in 4th.

Next year I hope some of our juniors will enter, as we ride these trails in Terms 1 and 2.

In Activity Week for our MTB team which is always a highlight for these young rippers.

### S. Houghton

## RUGBY REPORT 2022

Rugby season, where do we even begin! In what was a very mild playing season from a weather perspective, the performances on the pitch were anything but!

In 2022 Spotswood College again started with 3 rugby teams - U16 Girls, U15 Restricted Boys and an Openweight Boys team playing in the B Grade. Unfortunately for our B Grade team they did not get to see the season out for circumstances out of their control.

The U15 Boys rugby team, led by Mataius Mills, toiled hard all season and never quite got the results their attitudes and efforts deserved.

As a group, these young men were awesome to be around at training and games as they mixed banter, with a willingness to get better, and it was the boys themselves who set the tone for this team.

There was no better feeling than telling the boys they had to be at school at 9:45am on Saturday, only to turn up at 9:15 for set-up, and they're already there ready to go. Their passion and their enthusiasm to play, not to mention the brotherhood that was on full display, is what makes Spotswood College special.

Kingston Bush-Pouha, or Black Panther as he's better known, is a player of real potential with speed to burn; and Breez 'Pumba' Manu brings clarity and leadership that is uncoachable on the field and off.

Mason 'Lil Scriv' Scrivener works tirelessly all game and his intensity and physicality sets the tone; while Perez Northcott-King mixes brute force with a deft touch to keep the opposition guessing.

This is an exciting group of young rugby players that over time we hope to see transition into a Spotswood College 1st XV, something which hasn't been around since 2019. The culture is already there, the next stage is the development.

To Anita Scrivener, thank you for putting your hand up to wash the boys uniforms each week. No easy task, nor a glamorous one, but from game one you demanded you do it and that it's the 'easier job'. It is people like you who make our sports communities, so thank you!

It was all go for the girls programme as we looked to carry on from where we left off with the core of 2021's team still intact.

With an influx of year 9 players, the team was a mixture of rugby newbies, with those who know nothing but rugby.

After some promising signs in 2021, Spotswood College Girls Rugby shifted up a gear in 22. We doubled our win total from last year and made a real name for ourselves as no longer the easy beats of the local competition.

The Girls played some incredible footy throughout the year, gaining notable victories over NPGHS, Waitara, Ōpunake and Hāwera, and going down narrowly to Inglewood, Central and SHGC.

Eunice continues to be arguably one of, if not the most, dominant player in the girls competition. She deservedly was named in the Taranaki U18s and U16s teams. Ashleigh 'Gutho' Hill always comes to life on the field, defying her demeanour off it and too earned selection in the Taranaki U18s; while Tirahia Ormsby-Turner proved she's the most dynamic player in the competition time and again, being easily the best 1-on-1 defender, and the most electric ball runner mixing pace and power every time.

Much like the boys, the potential with girls rugby is huge. This playing group alone is the most naturally gifted group with pure athleticism that is unmatched around our region. Some subtle changes around our attitudes and a willingness to improve, who knows where these talented young ladies could go!

Bring on rugby season 2023!

**Mauri Tū, Mauri Ora**

## 2022 GIRLS' VOLLEYBALL REPORT:

It is again with great pleasure that we can report on another very successful year for the various junior and senior girls' players and teams that have represented Spotswood College at Indoor and Beach Volleyball during the past twelve months.

### HIGHLIGHTS:

- The Junior Girls' team finished in fourth place at the Taranaki Junior regional qualifying series in term 4 2021.
- Several of our Junior and Senior Girls' Beach Volleyball Pairs teams competed creditably from November to February in various tournaments in New Plymouth.
- The Senior Girls' team finished 3rd place at the Taranaki Secondary Schools senior regional qualifying series played in early-March.
- A big congratulations to the nine players who represented Volleyball Taranaki at the national Inter-provincial championships played at the ASB stadium in Wellington during Queens' Birthday weekend: - Under 19 Jessica Proctor(Captain); Isabel Lindsay, Isis Kennard, and Ellie Dinnis; Under 17 Anna Clough, Samantha Hart, Scarlett Dinnis, Chelsea Gartner and Haruna Saito.
- Our Year 9 and 10 teams competed in the inter-school league played in Terms 2 and 3.
- Our Junior team won the TSSSA Junior Girls' Championship undefeated for the first time since 2006. This qualified the team as Taranaki no.1 for the NISS championships at Mt. Maunganui.
- The following is a summary of the various activities in which our girls' volleyball players and teams participated in during the last twelve months.

### 2022 Taranaki Representative players

### 2021 TARANAKI JUNIOR REGIONAL QUALIFYING SERIES:

This event was played in Term 4 over 3 nights (27th October and 3rd & 10th November) at the TSB Stadium. Four teams competed in the series Spotswood, NPGHS, Waitara HS and SHGC.

Our combined Year 9 & 10 team was: Anna Clough, Samantha Hart (Year 10's), Nikki Tamati, Tia Christiansen, Aster Danenhauer, Scarlett Dinnis, Larissa Hodges, Isabelle McFarlane, Haruna Saito and Aliana Scholey (Year 9's) was very inexperienced.

We finished third and thus qualified as Taranaki 4 for the Division 3 championship at the NISS Championships scheduled for Mt. Maunganui.

### **2022 NZSS BEACH VOLLEYBALL CHAMPIONSHIPS, MT. MAUNGANUI:**

After many training sessions at Ngāmotu Beach and also at the school courts during December and January this event was also cancelled due to N.Z being at the new Red Level on the Covid-19 Protection Framework (maximum of 100 people).

Our teams were:- Jessica Proctor & Mishka Rosa, Ellie Dinnis & Isis Kennard, Anna Clough & Scarlett Dinnis. Aliana Scholey & Haruna Saito, and Tia Christiansen & Isabelle McFarlane.

A big thank you to Paula Koot Brennen for her giving up her time to coach us.

### **2022 TARANAKI SENIOR REGIONAL QUALIFYING SERIES:**

This year, eight teams Spotswood (2), NPGHS, Waitara HS (2), Sacred Heart, Inglewood HS and Hawera HS entered the Taranaki senior girls' regional qualifying series that was played in Term 1 over three Wednesday nights. Although NZ was still at the Red Level with restricted numbers, Volleyball Taranaki was able to host the event.

Our A team was: Jessica Proctor (Captain), Mishka Rosa, Isabel Lindsay, Isis Kennard, Ellie Dinnis, Anna Clough. The B team was: Tia Christiansen, Scarlett Dinnis, Larissa Hodges, Isabelle McFarlane, Haruna Saito and Aliana Scholey.

The A team finished in 2nd place in the Top 4 play-off series to qualify as Taranaki No.2 for the NZSS championships. The B team finished in 8th place.

### **2022 NEW PLYMOUTH AUTUMN & WINTER INDOOR LEAGUES:**

This year's Autumn league was played in Term 2 and the Winter league in Term 3 at the TSB the Spotswood College gymnasium and the YMCA Stadium on Sunday nights.

Spotswood Seniors:- Jessica Proctor, Mishka Rosa, Isabel Lindsay, Isis Kennard, Ellie Dinnis, Anna Clough and Samantha Hart.

With the introduction on Sunday afternoons of the Inter-schools competition we entered both Junior and Senior Girls teams.

Spotswood Juniors:- Chelsea Gartner, Haruna Saito, Aliana Scholey, Scarlett Dinnis, Tia Christiansen, Larissa Hodges, Lola Crawshaw, Larah Mortimer and Jean Smiley.

## 2022 TARANAKI SECONDARY SCHOOLS TSSSA JUNIOR VOLLEYBALL CHAMPIONSHIPS:

This year's championships were played at the TSB Stadium on Thursday 25th August. NZ was at the Orange Alert level which meant that events could proceed.

Our team was: Scarlett Dinnis, Aliana Scholey, Chelsea Gartner, Haruna Saito, Tia Christiansen, Lola Crawshaw, Larah Mortimer and Jean Smiley.

The results were:- beat Waitara HS 2-0; 25-11, 25-5; beat Inglewood HS 2-0; 25-5, 25-9 and beat NPGHS 2-0; 25-19, 25-4 to win the event for the first time since 2006.

### CONCLUSION:

A big thank you to all of the junior and senior players for their involvement in the girls' Volleyball programme during 2022. This year was certainly another interesting year for sport due to the impact of the covid-19 delta and omicron variants and the various lockdowns and numbers restrictions.

It was great to be able to resume training in our own new gymnasium right from the start of the year.

Congratulations to those who were recipients of the various Volleyball trophies for 2022.

A special thanks again to Mr. Robbie Booth and Paula Koot Brennen who have helped with the coaching of Spotswood Girls' Indoor and Beach teams throughout the year.

Good luck to those players who will be involved in the various Beach Volleyball events during the summer of 2022/2023 (covid permitting).

To the players who are leaving, best of luck for the future and I look forward to seeing you on a volleyball court somewhere.

To those players returning, you can look forward to another enjoyable and successful year in 2023—BUT !! remember that you are only as good as you practice, and you don't improve unless you practice.

**P. GAYTON**

**HEAD COACH-GIRLS' VOLLEYBALL**

## **2022 BOYS' VOLLEYBALL REPORT:**

### **Senior Boys Volleyball:**

The Senior boys volleyball team won the Taranaki Secondary school championships for the 7th year in a row. The school team went through the competition undefeated in the 7 teams that entered the event (NPBHS, FDMC, Stratford HS, Hāwera HS, Waitara HS, Inglewood HS). Unfortunately the Spotswood College team did not get to attend the New Zealand secondary school championships due to Covid restrictions but an excellent result. Team Zalan Lizan (Captain), Jayden Leece, Justin Goundar, Shaeden Wetere, Juraj Krajci, Joe Cocker, Noah Fleming, Lucas Heggie, Lukas Wall & Balu Molnar.

### **Highlights of season:**

- Going undefeated in Regionals
- Playing in the Several volleyball events at Palmerston North, Whanganui and Stratford and Wellington tournaments.
- Retaining the title for 7th year in a row.
- Continue growth in our senior program
- Several of the team making the Taranaki U17 and U19 team Jayden Leece, Shaeden Wetere, Noah Fleming, Joe Cocker, Lucas Heggie, Zalan Lizan and Balu Molnar

### **Junior Volleyball:**

The Junior boys volleyball team formed from practising and preparing from the active movement and Wednesday volleyball club group.

This gave us a group of athletes to start preparing and playing in tournaments at Whanganui and Stratford tournament. Which was a good start point to get a group of players together.

We played in the TSSSA Junior volleyball event and though it was very close we ended up second in the tournament.

The Junior boys team had the Taranaki Regional championships which started in Late October and the boys were victorious in winning the series 3-0 being champions for 2022 after several competitive nights of competition.

The boys have the North Island Secondary School Beach and Indoor Tournament in Mount Maunganui to look forward to in the 2022 late season.

The team is Olly Smith, Harylm Tito, Rotz Kavanagh, Zander Dodunski, Ajae Brown, Tahi TeAwa, Dhio Yoshimura, Wariangi Davey.

### **BOYS' Beach Volleyball:**

A very successful beach volleyball season considering we were unable to attend the New Zealand Secondary School National Beach event being cancelled due to covid. Spotswood College had 6 students participate in the New Zealand Age group Provincial championships at Mount Maunganui in late January.

New Zealand U17 Championships Zalan Lizan & Lucas Heggie won 5 games in a row but lost the final to Canterbury. The boys finished 2nd in New Zealand.

New Zealand U19 Championships Jayden Leece & Shaeden Wetere finished 6th with 4 wins and 3 losses.

Juraj Krajci & Rylee Houghton also in the U19 championships finished in 7th position with 5 wins and 2 losses.

### **Highlights of season:**

- Juraj Krajci selected in New Zealand U19 team to attend the Australian U19 championships and winning the championships with partner Ryan Jefferson (Rangitoto College)
- Juraj Krajci selected in New Zealand U19 team with Charlie Dalton (Rosmini College) to attend the Asian U19 Championships in Thailand. Finishing in 9th place.
- Zalan Lizan & Lucas Heggie finishing 2nd in New Zealand U17 Championships.
- Jayden Leece, Rylee Houghton and Juraj Krajci part of the NZ U19 Beach volleyball training squad.

December Juraj Krajci, Lucas Heggie and Zalan Lizan trialling for the NZ U19 squad for 2023. (Jayden and Rylee made themselves unavailable for trials due to work commitments).

### **Finally:**

Finally Note for Boys Volleyball 2022 Season. With the disruptive season with Covid restrictions and managing the many volleyball events it was still very pleasing to see our Spotswood College compete on both the local, National and International front for beach volleyball and indoor volleyball. Thank you to the Houghton family who were able to support the Junior boys with accommodation at the North Island event in November. Also Bruce Petty for supporting and helping out. We look forward to the 2023 season and to the boys who have played 5 years in our program who are graduating. We wish you well in your sporting endeavours.

**Mr Joe and Miss Laurence**

# ALUMNI NEWS

## BECOMING AN EX-SPOTSWOODIAN (ALUMNI)

When you complete your secondary schooling at Spotswood College you become an ex-Spotswoodian and are part of the College's Alumni.

Spotswood College opened in 1960, and currently there are nearly 20,000 ex-Spotswoodians(Alumni).

The word Alumni is used to refer to a group of people who have graduated from a school or university. Males are referred to alumnus and females as alumna.

Your alma mater is your old school, college or university. It's generally used as a positive term, implying reverence and loyalty for the nurturing qualities of the institution. Alma mater comes from two Latin words meaning "nourishing or bountiful mother."

In 2008, a group of ex-Spotswoodians formed the Spotswood College Alumni Trust in order to keep the alumni up to date with the news and successes of other alumni, and to support the College, its staff and students in the future.

The Trust is a fully registered Charitable Trust (CC24439).

There are 3 main methods that the trust uses for communicating with the alumni:

### 1. ALUMNI EMAIL NEWSLETTERS:

The Alumni newsletters are emailed out four times per year at the start of each term. The Alumni encourages all students to register on this database at: [alumni.spotswoodcollege.school.nz](http://alumni.spotswoodcollege.school.nz)

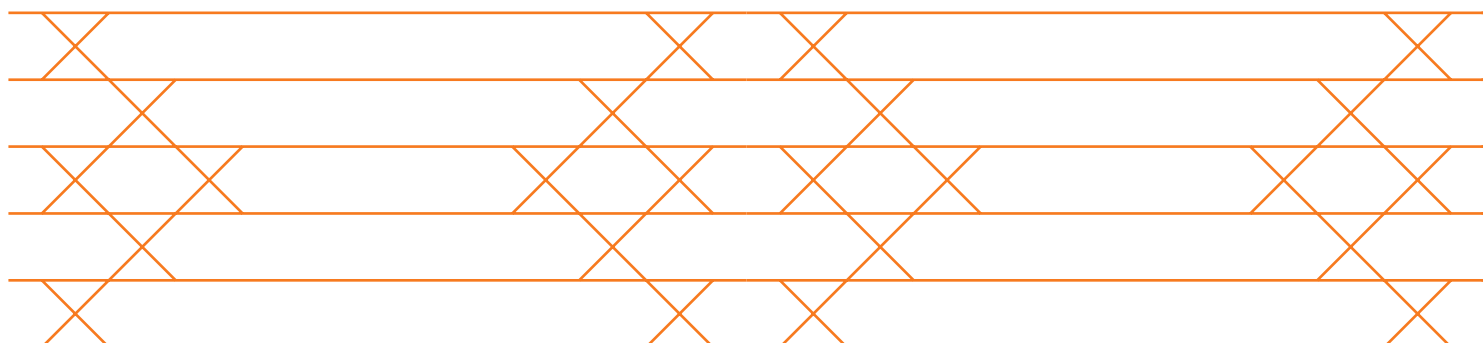

### 2. ALUMNI FACEBOOK PAGE:

[facebook.com/SpotswoodCollegeAlumni](https://facebook.com/SpotswoodCollegeAlumni)

### 3. ALUMNI WEBSITE:

[www.spotswoodcollegealumni.co.nz](http://www.spotswoodcollegealumni.co.nz)

To contact the Alumni, the email address is: [spotswoodcollegealumni@gmail.com](mailto:spotswoodcollegealumni@gmail.com)

# EX-STAFF OBITUARIES

We extend our deepest sympathy to the extended families of the following former staff members who have sadly passed away during 2022.

## **ANGIE JOINES B.Ed (2006-2009).**

Angie passed away in New Plymouth on Wednesday 13th April, 2022. During Angie's 4 years on the College staff Angie taught in both the English and Mathematics departments. In 2008, she was part of the major production cast for "Footloose". RIP Angie.

## **MARGARET HURLEY TTC (1977-1992).**

Margaret passed away in New Plymouth on Sunday 28th August, 2022 in her 88th year.

Margaret commenced her 16 years at Spotswood College in 1977 in the Guidance department as a guidance teacher and careers adviser.

The first area of work this department did was to assist classroom teachers to run Careers Education Programmes to assist students in the future. The second area was to run 'Special Needs' programmes that included Senior work experience for up to 150 sixth and seventh form students. This is currently known as the Gateway programme.

The department also organised biennial Careers days where vocation speakers came into the college to talk to students.

From 1989-1992, Margaret taught in the Special Education department assisting students with various learning problems.

In the community, Margaret will be remembered for

her keyboard skills, for the N.P. Operatic Society, The Music Hall, The Gaslight Variety Company for over 30 years, and as an organist at St. Joseph's church.

In 20124, Margaret was awarded a New Plymouth District Council's Citizen's Award.

In 2018, Margaret was awarded a "Benemerenti Medal" – a decoration awarded by the Pope for her musical contribution to her parish and the community. The medal was first established in the late-1700's for soldiers but since 1925 has been awarded to clergy and non-clergy.

Margaret will be well remembered for her amazing gift of caring and compassion. RIP Margaret.

## **JAMES POKERE (Uncle Jimmy):**

James passed away in New Plymouth on Wednesday 6th July, 2022.

Uncle Jimmy was a Kaumatua of Spotswood College for over 20 years. He represented the Ngāti Te Whiti hapu and was always available when called upon by the Principal of the College to guide the College when advice and guidance was required. Arohanui Uncle Jimmy- RIP

# ALUMNI STUDENTS + STAFF ACHIEVEMENTS IN 2022

Ex-spotswoodians are achieving local, nationally and internationally nearly every day of the year. Some of the major alumni achievements during 2022 include:

## **AIDAN ZITTERSTEIJN (2013-2017):**

Big congratulations to Aidan Zittersteijn who was again selected in the Lawn Bowls team for the Cook Islands that competed at the 2022 XXII Commonwealth Games held in Birmingham, England from 28 July - 8 August.

Aidan played in the Lawn Bowls pairs team for the Cook Islands at the 2018 XXI Commonwealth Games held on the Gold Coast, Australia, winning a Bronze medal - the first ever medal for the Cooks.

Aidan becomes the first ex-spotswoodian to participate at two Commonwealth Games.

## **SHANON AUSTIN (1990-1994):**

In December, 2020 Shannon took up the position in London as Deputy NZ High Commissioner to the UK. In early-September, Shannon was appointed as the acting High Commissioner until the new HC was appointed. With the death of The Queen on 8th September, Shannon as the acting HC became very involved with the royal and state formalities.

Shannon was part of the Accession Council that met at St.Jame's Palace for the two-part Accession ceremony and the signing of the Proclamation papers.

She was also one of the 14 Realm Commonwealth High Commissioners that met King Charles III and Camilla at Buckingham Palace the following day.

Shannon was one of the 12 New Zealand representatives appointed by the Prime Minister to attend the funeral of The Queen on Monday 19th September.

## **AMANDA BRIEN (1998-2002, Head Girl 2002):**

Nutritionist Amanda Brien made her TV debut as a science regular on the show - "Eat Well For Less NZ". She talked about efforts to restrict advertisements for junk food and sugary drinks near schools and how areas of high deprivation were the most concentrated markets for fast food suppliers.

## **NEIL REA (1984-1988):**

The 8th season of Brokenwood Mysteries screened on TV1 during the second-half of 2022.

Neill Rea (Scarfies, Legend of the Seeker, Go Girls) starred in the lead role of Detective Senior Sergeant Mike Shepherd

Brokenwood Mysteries is set in a seemingly quiet country town where the town's newest resident, Mike Shepherd, and found that murder lurks in even the most homely location.

The Brokenwood Mysteries consists of 30 x 2-hour murder mystery telefeatures. The series airs on TVNZ One in New Zealand as well as Acorn TV (USA), France 3 (France), DR (Denmark), Italy (Giallo) and Nine Network (Australia).

## **MARK CRYSELL (1975-1979) & HANNAH BROWN (1995-1997):**

Congratulations to Mark Crysell (TVNZ) and Hannah Brown (TV3) on their successes at the 2022 49th Voyager Media Awards (Celebrating Excellence in Journalism) announced on Saturday 20th August, 2022.

Mark won the "Best Reporting-Social Issues, including Health and Education" category for the TVNZ Sunday programme.

Hannah was part of a TV3 Newshub team of 4 that won the "Best Podcast" category - Episodic/Recurrent Supplementary Question

## **SPORTING SUCCESSES:**

### **SIMON EADDY (1985-1989):**

Simon Eaddy (1985-1989) attended his third FIFA World Cup Soccer event in Qatar during November and December.

Simon is currently the Canadian Mens' National team's assistant coach and Goalkeeping coach. From 2012 - 2019, Simon was on the coaching roster of the Canadian Womens' national team and attended 2 Olympic Games (2012 England, 2016 Brazil) and 2 FIFA Womens' World Cups (2015 Canada, 2019 France).

In 2008 Simon was part of the NZ Mens' coaching roster at the Olympic Games in China.

Well done Simon an outstanding coaching career with 3 Olympic Games and 3 World Cups in the world's biggest sport.

### **YACHTING:**

Ryan Leatham (1997-2001) who was a member of the "Hot Line" crew that won the 2022 National Trailer Yacht Ross 650 class championship sailed on Lake Taupo at Easter.

### **POOL:**

In July, Des Wilcox (2008-2011) was announced as the top Pool player in New Zealand. Des rose to the top after several successes at various North Island events

### **8-BALL:**

Ashleigh Allen (2010-2014) and her pairs partner won the CNZ 2022 National Ladies 8-Ball Pairs title played in Manurewa in July.

### **LAWN BOWLS:**

Darren Goodin( 1985-1987) and Adam Collins (2004-

2008) who were part of the Paritutu Club's Mens' team that won the New Zealand Champion of Champions Fours title at Hastings in July.

### **2022 ANZAC DAY COMMEMORATION:**

Due to New Zealand being at the Orange Alert level with restricted numbers, the New Plymouth RSA event was held at the New Plymouth Club's auditorium on Monday 25th April.

Spotswood College was represented by Hana Ono , Briar Harrison and Mr. Phil Gayton ONZM
